**School Profile**

**School Narrative**

At Preston West Primary School we take pride in the quality of education we offer to our students. We aim to create lifelong learners through a comprehensive range of programs that reflect the diversity and inclusivity of our community. This makes our school a richer, stronger and valuable place to be.

Strong relationships are an important feature of our school. Our staff, students, school council and parents work together to do their best for our school. We have high expectations of our students and encourage them to reach their full potential by equipping them with the skills they will need in the future.

Our students are confident, curious, respectful and engaged. They have a genuine sense of fairness, are willing to give things a go both as individuals and as part of a team and enjoy the challenges involved in learning.

Our school has a strong sense of history. The school motto, ‘Duty First’, coined in 1915, provides a rich historical base. People from far and wide have attended Preston West Primary School and reflect on their many happy memories of their education.

Over recent years the numbers of student enrolments have greatly increased. We need to keep the traditions of the past, maintain our emphasis on the student at the core of our work to ensure they can achieve their personal best and continue to strive for excellence in a school where strong community links are central to our work.
