

Leadership, Excellence, Acceptance, Respect, Never Give Up

Our Statement of Commitment to Child Safety

Teachers will;

- Listen to all students and help them.
- Be approachable, understanding and easy to talk to.
- Teach kids about the outside world.
- Give positive, constructive feedback and help spread positivity.
- Take time to discuss issues with students and parents.
- Have discussions about racism, sexism, ageism etc at a level that is age appropriate.
- Get help and advice if needed. This could be from other staff and other professionals.
- Provide exciting and challenging activities.
- Not abuse children verbally, physically or mentally.
- Make sure students have places in the school where they can calm down if needed.
- Support students to develop their individuality.

Students will;

- Respect each other, teachers and other members of the community.
- Be kind to everyone.
- Spread positivity through the classroom.
- Listen to each other and listen respectfully.
- Respect our school values; Leadership, Excellence, Acceptance, Respect and Never Give Up).
- Never use physical violence or hurtful language.
- Communicate if there is a problem they cant solve, or that is making them feel unsafe.
- Have the right to use school resources appropriately and responsibly.
- Not bully or abuse anyone.
