October 2024

Dear Parent/Guardian,

Preston West Primary School is looking forward to another great year of teaching and learning and would like to advise you of Preston West Primary School's voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian Curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school, this support has allowed us to offer a wide range of subjects and special curriculum experiences including enhanced digital learning opportunities.

Preston West Primary School understands that some families may experience financial difficulty and offers a range of support options, including:

- The Camps, Sports and Excursions Fund (CSEF) is available for eligible families.
 - Families holding a valid means-tested concession card are eligible to apply. Application forms can be obtained from the Office. Parents who currently receive the CSEF and who remain eligible will automatically have their 2025 application processed by the School.

For a confidential discussion about accessing these service options, or if you would like to discuss alternative payment arrangements, please contact the Principal, Cheryl Bondeson on 9470 1546.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Cheryl Bondeson
